Getting started with
Libby app available
for Android, iOS,
Windows 10, and
some Chromebooks.

*The mission of the library is to
empower a life of discovery.*

Get started with Libby

The free [Libby app](#) is the easiest way to get started with digital books and audiobooks from your public library. Libby is available for Android, iOS, Windows 10, and some Chromebooks.

STEP 1

Install the Libby app from your device's app store.

[Apple App Store](#)
[Google Play](#)

[Windows Store](#)

Continued with Libby

STEP 2

In Libby, follow the prompts to find your library and sign in with a valid library card.

STEP 3

Browse your library's collection and borrow a title.

STEP 4

Borrowed titles appear on your Shelf and download to the app automatically when you're connected to Wi-Fi, so you can read them when you're offline.

From your Shelf, you can:

Tap Open Book, Open Audiobook, or Open Magazine to start reading or listening to a title.

Tap Manage Loan to see options like Renew, Return, or Send to Device to send a book to Kindle (U.S. libraries only).

If you need more help with Libby, please visit [Libby Help](#). Happy reading!

Navigating the app

In the footer

- Tap Library to open the library collection you were most recently browsing.
- Tap the title circle to open the loan or sample you were most recently reading.

Tap Shelf to open your loans, holds, tags, and activity for all your libraries.

In the  menu

- Tap a library to browse their collection.
- Tap See Library Cards to see your library cards, see loan and hold limits, rename cards, and unlink or relink cards.

Libby app is available for: iOS 9+, Android 4.4+, and Windows 10 (for desktop/tablets), versions 1607 and later.
