CITY OF ANACORTES:

By: H. Dean Maxwell

ATTEST:

George Khtayan, City Clerk Treasurer

APPROVED AS TO FORM:

Stephen E. Mansfield, City Attorney
The City of Anacortes has established a Forest Land Endowment Fund (Council Ordinance No. 2141, on March 19th, 1990). This fund, as specified by the Forest Management Plan of May, 1991, will produce an interest income that will finance the ACFL management program. To help provide moneys for the Forest Lands Endowment Fund (FLEF) and protect specified parcels for the future, the Forest Advisory Board hereby recommends the establishment of a Conservation Easement Program.

For every $1000 donated to the Forest Endowment Fund a Conservation Easement will be applied to one nominal acre of the ACFL. The dollar figure per nominal acre for future donations may be increased by the City Council, if they deem it necessary. Such increases shall not be retroactive to Conservation Easements already secured.

The Skagit Land Trust which will be the holder of the conservation easements. They will receive $25 per acre for the responsibility of monitoring that conservation easement. This $25 is a one time fee, not to be paid each year.

Easements will be made available on select segments of the forest lands (100 acres at a time) so as to avoid a checkerboard of easements that would be impossible to administer. These segments will be recommended by the Forest Advisory Board and approved or amended by the City Council. When the first segment is completely taken another will be selected.

This Conservation Easement shall be recorded in the Skagit County Auditor's office in January of each year (or sooner if appropriate) for all parcels so designated during the previous twelve months.

Each Section in the ACFL shall be divided, by standard practice, into 1/64 units, squares containing 10 nominal acres. These squares will be further divided into ten equal parcels, in two equal divisions east-west by five equal divisions north-south, each parcel being approximately one acre. These ten nominal acres shall be numbered consecutively beginning with the northwest corner position, one through five to the southwest position, then beginning with the south east position six through ten, ending with the northeast position, and shall be so numbered in all such ten nominal acre units in the ACFL. A map will be drawn to identify all such parcels, and a record kept of all parcels available for the Conservation Easement and all parcels so designated each year.
Any person or organization making a donation of $5,000 or more may choose which parcel is to be secured by that donation. This would not necessarily have to be part of the 100 acre parcel currently being used but would have to be approved by the City Council before it could be granted outside the currently available acreage.

Single donations, securing a parcel of 5 nominal acres or more, entitle the donor to designate the parcel as a Memorial Grove, named for any person the donor wishes to honor. Memorial Groves will be identified on a master map of ACFL Conservation Easements, to be kept at City Hall but will not be posted physically on the property. This map will be updated annually.

Donations of smaller amounts to the Conservation Easement Program will be aggregated and applied to unsecured parcels every January, using donations received during the previous twelve months, the parcels to be so secured to be recommended by the Forest Advisory Board. All donors towards the program will be thanked and recognized for their contribution in a permanent public record to be kept at City Hall.

All easements will be identified on paper only. Surveys will not be made of each location and specific boundaries will not be identified.

Donations for the conservation easements will be made to the City of Anacortes and kept in the separate Forest Land Endowment Fund.

To get the program started the Friends of the Forest will make a $1,000 donation to the Skagit Land Trust who will use all of that money to help administer the conservation easement program and the City will grant an easement on 10 acres of the ACFL for $1.

The area which is being considered for the expansion of the Lakeside rock quarry shall specifically be excluded from the conservation easement program until such time as a decision is made with regards to the use of the property.

THIS GRANT DEED OF CONSERVATION EASEMENT is made this _____ day of _____, 1998, by The City of Anacortes, a Washington Municipal Corporation, having an address at P.O. Box 547, Anacortes, WA 98221. ("Grantor"), in favor of The Skagit Land Trust a non profit Washington corporation, having an address at P.O. Box 1017, Mount Vernon, WA 98273 ("Grantee").

WITNESSETH:

WHEREAS, grantor is the sole owners in fee simple of certain real property in Skagit County, Washington, more particularly described in Exhibit A attached hereto and incorporated by this reference (the "Property"); and

WHEREAS, the property possesses natural, scenic and recreational values, in particular natural forest lands, all of which are hereafter know as "conservation values" of great importance to Grantor and the people of the City of Anacortes, and

WHEREAS, the specific conservation values of the Property are documented on file at the offices of Grantor and incorporated by this reference ("Baseline Documentation" Exhibit B), which consists of reports, maps, photographs, and other documentation that the parties agree provide, collectively, an accurate representation of the Property at the time of this grant and which is intended to serve as an objective information baseline for monitoring compliance with the terms of this grant; and

WHEREAS, Grantor intends that the conservation values of the Property be preserved and maintained by the continuation of land use patterns that do not significantly impair or interfere with the above "conservation values"; and

WHEREAS, Grantor further intends, as owners of the Property, to convey to Grantee the right to preserve and protect the conservation values of the Property in perpetuity; and

WHEREAS, Grantee is a publicly supported, tax-exempt nonprofit organization, qualified under Section 501(c)(3) and 170(h) of the Internal Revenue Code, whose primary purpose is the preservation, protection, and enhancement of land in its natural, scenic, forested condition; and

WHEREAS, Grantee agrees by accepting this grant to honor the intentions of Grantors stated herein and to preserve and protect in perpetuity the conservation values of the Property for the benefit of this generation and the generations to come; and

WHEREAS, Grantor recognizes that the preservation of conservation values within the property will provide substantial benefits to Grantor and the public in general and that such benefits together with monetary payment to be made are adequate consideration in exchange for the grant of easement contained herein;

NOW, THEREFORE, the following deed memorializes the agreement which has been reached between the parties. The Grantor, the City of Anacortes, a Washington municipal corporation, for consideration as set forth herein and subject to conditions, agreements and provisions set forth hereinafter, hereby voluntarily grants and conveys to Grantee, the Skagit Land Trust, a Washington not-for-profit corporation, a non-exclusive perpetual easement to run with the land upon the real property legally described in Exhibit A hereto. This easement is subject to the following terms and conditions,
Anacortes Community Forest Lands

Conservation Easement

1. **Purpose.** It is the purpose of this Easement to assure that the Property will be retained forever predominantly in its natural, scenic, forested condition and to prevent any use of the Property that will significantly impair or interfere with the conservation values of the Property. Grantor intends that this Easement will confine the use of the Property to such activities, (including, without limitation, those involving public recreation) as are consistent with the purpose of this Easement.

2. **Rights of Grantee.** To accomplish the purpose of this Easement the following rights are conveyed to Grantee by this Easement:
   
   a) To preserve and protect the conservation values of the Property,

   b) To enter upon the Property at reasonable times in order to monitor Grantors' compliance with and otherwise enforce the terms of this Easement; and

   c) To prevent any activity on or use of the Property that is inconsistent with the purpose of this Easement and to require the restoration of such areas or features of the Property that may be damaged by an inconsistent activity or use, pursuant to paragraph 6. Should complete restoration be impossible, Grantee shall require appropriate mitigation.

3. **Prohibited Uses.** Any activity on or use of the Property inconsistent with the purpose of this Easement is prohibited. Without limiting the foregoing, the following uses are expressly prohibited.

   a) Conversion or use of the property for timber harvesting, mining, or any commercial venture shall be prohibited.

   b) Sale, lease or other transfer of the protected property.

4. **Reserved Rights.** Grantors reserve to themselves, and to their personal representatives, heirs, successors, and assigns, all rights accruing from their ownership of the Property, including the right to engage in or permit or invite others to engage in all uses of the Property that are not expressly prohibited by Section 3 or otherwise herein and are not inconsistent with the purpose of this Easement. Without limiting the foregoing, the following rights are expressly reserved.

   a) Use of portions of the property for public utilities, such as water reservoirs, or service roads to those public utilities.

   b) In those areas where the City has previously operated pump stations, water storage facilities, and pipelines, those activities may continue and such facilities may be maintained as long as necessary for public utility purposes. Parcels of the ACFL to which this conservation easement is applied may include any of these recreational or utility facilities, and their maintenance and improvement shall not be hindered by such application. In addition, any paved street or road in use at the date of this program's adoption shall be exempt from any restrictions and adjacent property may be altered as necessary to maintain the safe operation of vehicles on such streets.
c) Facilities will allow and support such recreational and educational uses, such as service roads, parking lots, trailheads, trails, bridges, signs, interpretive displays, interpretive buildings, viewing platforms, boardwalks, sanitary facilities and picnic sites may be developed, maintained and improved as needed.

d) All uses as prescribed for by the ACFL Management Plan of 1991. The City Council, as elected representative of the people who are owners of the property, with recommendation from the ACFL Forest Board, will continue to manage the Anacortes Community Forest Lands in accord with its then current, adopted ACFL Management Plan. Special care will be taken to manage areas where easements are sold in accord with recorded Conservation Easements.

e) To undertake other activities necessary to protect public health or safety on the Protected Property or adjacent property, or which are actively required by and subject to compulsion of any governmental agency with authority to require such activity, provided than any such activity shall be conducted in a manner that protects the Conservation Values of the Protected Property to the greatest practicable extent, taking into account all the surrounding circumstances.

5. **Dispute Resolution.** If a dispute arises between the parties concerning the consistency of any proposed use or activity with the purpose of this easement, the parties shall meet together to discuss the dispute and attempt resolution. Thereafter, either party may request a hearing before the Anacortes City Council. Upon receiving the request for a hearing, the City Council shall schedule a public hearing to be held not less than 20 (twenty) nor more than 60 (sixty) days from receipt by them of the request for the hearing. Notice of the hearing shall be provided by direct mailing to each of the parties as well as publication in the official city newspaper not less than 7 (seven) days prior to the hearing date. If the resultant decision of the Anacortes City Council is not satisfactory to the other party, such party may bring an action in Skagit County Superior Court which shall review the matter de novo and which shall have full jurisdiction to grant relief consistent with Section 6 hereof. The Superior Court shall award to the prevailing party its reasonable attorney fees and costs. Nothing herein contained shall prevent the parties from agreeing to submit this matter to mediation and/or arbitration.

6. **Grantee's Remedies.**

(a) If Grantee determines that Grantors are in violation of the terms of this Easement or that a violation is threatened, Grantee shall give written notice to Grantors of such violation and demand corrective action sufficient to cure the violation and, where the violation involves injury to the Property resulting from any use or activity inconsistent with the purpose of this Easement, to restore the portion of the Property so injured.

(b) If Grantors fail to cure the violation within sixty (60) days after receipt of notice thereof from Grantee, or under circumstances where the violation cannot reasonably be cured within a sixty (60) day period, fail to begin curing such violation within the sixty (60) day period, or fail to continue diligently to cure such violation until finally cured, Grantee may bring an action at law or in equity in a court of competent jurisdiction to enforce the terms of this Easement, to enjoin the violation, exparte as necessary, by temporary or permanent injunction, to recover any damages to which it may be entitled for violation of the terms of this Easement or injury to any conservation values protected by this Easement, including damages for the loss of scenic, aesthetic, or environmental values, and to require the restoration of the Property to the condition that existed prior to any such injury. Without limiting Grantors' liability therefor, Grantee, in its sole discretion, may apply any damages recovered to the cost of undertaking any corrective action on the Property.
If Grantee, in sole discretion, determines that circumstances require immediate action to prevent or mitigate significant damage to the conservation values of the Property, Grantee may pursue its remedies under this paragraph without prior notice to Grantors or without waiting for the period provided for cure to expire. Grantor's rights under this paragraph, both prohibitive and mandatory, are in addition to any other relief to which Grantor may be entitled, including specific performance of the terms of this Easement, without the necessity of proving either actual damages or the inadequacy of otherwise available legal remedies. Grantor's remedies described in this paragraph shall be cumulative and shall be in addition to all remedies now or hereafter existing at law or in equity.

6.1 Costs of Enforcement. Any cost incurred by Grantee in enforcing the terms of this Easement against Grantors, including, without limitation, costs of suit and attorneys' fees, and any costs of restoration necessitated by Grantors' violation of the terms of this Easement shall be borne by Grantors. If Grantors prevail in any action to enforce the terms of this Easement, Grantors' costs of suit, including, without limitation, attorneys' fees, shall be borne by Grantee.

6.2 Grantee's Discretion. Enforcement of the terms of this Easement shall be at the discretion of Grantee, and any forbearance by Grantee to exercise its rights under this Easement in the event of any breach of any term of this Easement by Grantors shall not be deemed or construed to be a waiver by Grantee of such term or of any subsequent breach of the same or any other term of this Easement or of any Grantee's rights under this Easement. No delay or omission by Grantee in the exercise of any right or remedy upon any breach by Grantors shall impair such right or remedy or be construed as a waiver.

6.3 Acts Beyond Grantors' Control. Nothing contained in this Easement shall be construed to entitle Grantee to bring any action against Grantors for any injury to or change in the Property resulting from causes beyond Grantors' control, including, without limitation, fire, flood, storm, and earth movement, or from any prudent action taken by Grantors under emergency conditions to prevent, abate, or mitigate significant injury to the Property resulting from such causes, or from injury caused by private parties in violation of Grantor's adopted management plan and codes. Grantor will diligently prosecute violators.

7. Access. No additional rights of access by the general public to any portion of the property are conveyed by this Easement nor is any new limit on the access implied.

8. Costs and Liabilities. Grantors retain all responsibilities and shall bear all costs and liabilities of any kind related to the ownership, operation, upkeep, and maintenance of the Property, including the maintenance of adequate comprehensive general liability insurance coverage. Grantors shall keep the Property free of any liens arising out of any work performed for, materials furnished to, or obligations incurred by Grantors.

9. Extinguishment. If circumstances arise in the future such as render the purpose of this Easement impossible to accomplish, this Easement can only be terminated or extinguished, whether in whole or in part, by judicial proceedings in a court of competent Jurisdiction. The Court shall award grantee the fair marker value of the easement. Grantee shall use all such proceeds in a manner consistent with the conservation purposes of this grant.

9.1 Condemnation. If the Easement is taken, in whole or in part, by exercise of the power of eminent domain, grantee shall be entitled to compensation in accordance with applicable law.
9.2 **Amendment or Supplementary.** If circumstances arise under which an amendment to or modification of this Easement would be appropriate, Grantors and Grantee are free to jointly amend this Easement; provided that no amendment shall be allowed that will affect the qualification of this Easement or the status of Grantee under any applicable laws, including Section 170(h) of the Internal Revenue Code of 1954, as amended and any amendment shall be consistent with the purpose of this Easement, and shall not affect its perpetual duration. Any such amendment shall be recorded in the official records of Skagit County, Washington.

10. **Assignment.** This Easement is transferable (with the Grantors approval, which will not be unreasonably withheld), but Grantee may assign its rights and obligations under this Easement only to an organization that is a qualified organization at the time of transfer under Section 170(h) of the provision then applicable, and the applicable regulations promulgated thereunder and authorized to acquire and hold conservation easements under Washington State Law (or any successor provision then applicable). As a condition of such transfer, Grantee shall require that the conservation purposes that this grant is intended to advance continue to be carried out.

10.1 **Executory Limitation.** If Grantee shall cease to exist or to be a qualified organization under Section 170(h) of the Internal Revenue Code of 1954, as amended, or to be authorized to acquire and hold conservation easements under Washington Law, and a prior assignment is not made pursuant to paragraph 10, then Grantee's rights and obligations under this Easement shall become immediately vested in (designated back-up grantee). If (designated backup grantee) is no longer in existence at the time the Grantee ceases to exist or is no longer qualified, then the rights and obligations under this Easement shall vest in such organization as a court of competent jurisdiction shall direct pursuant to the applicable Washington law and with due regard to the requirements for an assignment pursuant to Paragraph 10.

11. **Notices.** Any notice, demand, request, consent approval, or communication that either party desires or is served personally or sent by first class mail, postage prepaid, addressed as follows-

12. **Recordation.** Grantee shall record this instrument in a timely fashion in the official records of Skagit County, Washington and may re-record it at any time as may be required to preserve its rights in the Easements.

13. **General Provision.**

a) **Controlling Law.** The interpretation and performance of this Easement shall be governed by the laws of the State of Washington.

b) **Severability.** If any provision of the Easement, or the application thereof to any person or circumstance, is found to be invalid, the remainder of the provision of this Easement, or the application of such provision to persons or circumstances other than those as to which it is found to be invalid, as the case may be, shall not be affected thereby.
c) ** Entire Agreement. ** This instrument sets for the entire agreement of the parties with respect to the Easement and supersedes all prior discussions, negotiations, understandings, or agreements relating to the Easement, all of which are merged herein. (No alteration or variation of this instrument shall be valid or binding unless contained in an amendment that complies with Paragraph 9.3)
