Summer Reading 2020 is fun for everyone!

Have fun with imagination and stories this summer!

Set your own goal, explore new books and music, and enter to win fun prizes.

How to participate: Sign up for Summer Reading on our website. Then set a goal for yourself and spend the summer reading great books.

How do I set my goal? You get to decide whether your goal is a set number of books, a number of days, or a number of minutes you want to read. Your goal could be to get a bingo or a blackout on the bingo sheet. Or you might have another goal in mind!

What kind of reading counts? All kinds! Reading in any format counts whether it's books, ebooks, audiobooks, graphic novels, magazines, newspapers, or blogs. Try out a new kind of reading this summer!

What do I do when I reach my goal? Contact the library for your choice of a Summer Reading Prize Book or a gift card to Watermark Books. You'll also be entered to win the grand prize drawing!

Summer Reading runs from June 15 to August 31.

All entries for prizes must be received by August 31, 2020. Prize drawings will be held on September 8th!

Teen Programs

Contact dianaf@cityofanacortes.org for more information.

Goal: Write your own Summer Reading goal here!

Progress: Attach more sheets if needed.
