Before making an appointment, please read requirements 1-6 below. Clicking on the blue button takes you to the library's passport calendar signup page; pick a half hour appointment per applicant, and register. If you are a family with multiple applicants, please book one appointment ***per applicant*** to allow for enough time. Please arrive 10 minutes before the time of your passport appointment. If you arrive after the time of your appointment, the passport agent may not have time to process your passport, and your appointment may be canceled.

** Please note, if you have a U.S. Passport that is *not* more than 5 years expired, you can renew your passport using form DS-82 and submit it by mail (you do *not* need to meet with an acceptance agent). We *cannot* process Renewal applications.
