

Summer Reading 2021 - June 21 - August 31

Reading Colors Your World

Summer Reading is for everyone – kids, teens, and adults. Our theme this year is **Reading Colors Your World**. We invite you to get creative, explore art, try new things, and find beauty in diversity!

PRIZES

We will have a halfway prize and a new book to choose at the end of summer reading. When you finish your bingo sheet or reading log, you will also be entered into our grand prize drawing.

SPECIAL PROGRAMS

Throughout the summer there will be three virtual STEAM classes:

June 28 @ 10am – All About Colors

Learn about mixing colors and make a color wheel using a CD!

July 12 @ 10am - What About Water?

Investigate what sinks and what floats!

July 26 @ 10am - Leap into Science: Light & Shadows

Explore the world of light and shadow!

LIVE AUTHOR EVENT - *Nerdycorn* with Andrew Root

Nerdycorn is the story of Fern, a smart, creative unicorn who loves building robots and coding software more than jumping through shimmering rainbows and splashing in majestic waterfalls.

Ask us for details and how to register.
